Reginald Pelagio

The Reginald M. Pelagio
Business Technology Academic Excellence Award
Yearbook Memorial 2011-12

The annual award that has been given out for decades to the highest ranking business student by the Business Technology Department of the Somerset Berkley Regional High School, has been renamed in honor of Mr. Reginald M. Pelagion. Mr. Pelagio, who passed away in June of 2011, was the former chairperson serving the school district in that capacity for nearly twenty-eight years. Prior to this, Mr. Pelagio also taught for many years at Durfee High School in Fall River and was an educator for more than four decades in the Massachusetts public education area. Mr. Pelagio was also a graduate of both Durfee High School and the University of Massachusetts.

"Reggie," as he was affectionately known to his friends, colleagues, and former graduating students, impacted the lives of everyone with whom he had contact. He was well-known for his sincerity, compassion, and mentoring of students to which he dedicated his life work. In this sense, he was truly a role model not only for students, but for everyone who tries to live a good and decent life in the service of helping others reach their full potential.

So many good things can be said about this man that a mere few lines cannot possibly convey. However, there is no question that above all of Mr. Pelagio's virtues, Reggie was a man who possessed a good heart. For it is only from the heart that we as individuals can reach out to affect the feelings and lives of others in very positive ways. Reggie demonstrated this quality in his everyday life and because of this, the joy and fondness of his memory will last for us who had the privilege of knowing him far longer than the sadness of his leaving.

Mr. James Teixeira, Jr. BA, MBA, CAGS/Ed.L

Congratulations Somerset High School Class of 2012

As a proud supporter of the Somerset—Berkley Regional High School, the Venus de Milo is proud to congratulate this years graduates.

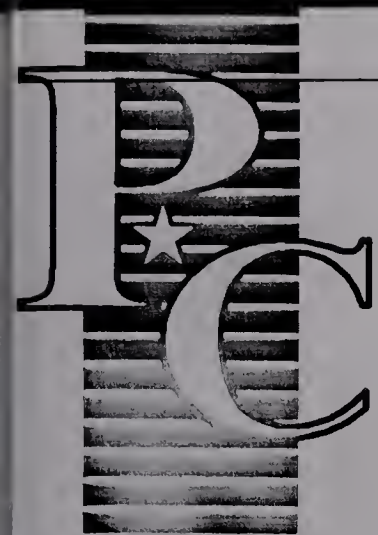

Over the years we have employed thousands of Somerset High School graduates & always admired their hard work and perseverance. As a little bit of advice, don't be afraid to give your best to what seemingly are small jobs. Every time you conquer one it makes you that much stronger. If you do little jobs well, the big ones tend to take care of themselves.~Dale Carnegie

Letter From the Editor

To the class of 2012...

I hope that you treasure this book forever and look back often on all of the captured memories. The Yearbook Committee worked hard on this book for all of you to enjoy forever.

On each page, you see your classmates, teachers, teammates and coaches. For the past four years, these people have filled our lives with happiness, helped us achieve our goals and accomplish more than we could have imagined.

Everyone told us that high school would fly by, but we didn't believe them. I think I can speak for all of us that it certainly did. We didn't appreciate the sports' events, dances, spirit weeks, and each day at school as much as we should have. Although, we should not dwell too much on the past, we should remember the high school days.

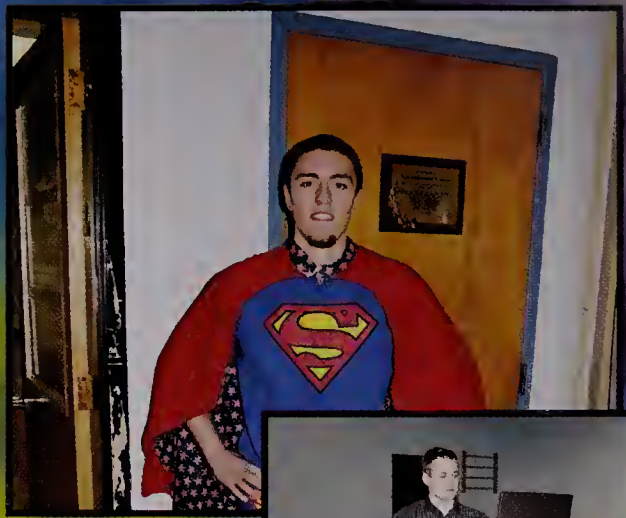

As we move on to college, work, or the armed forces, remind yourself to look back at this book in the future and remember all the good times we had.

I wish you all the best of luck in the future.

Your classmate,

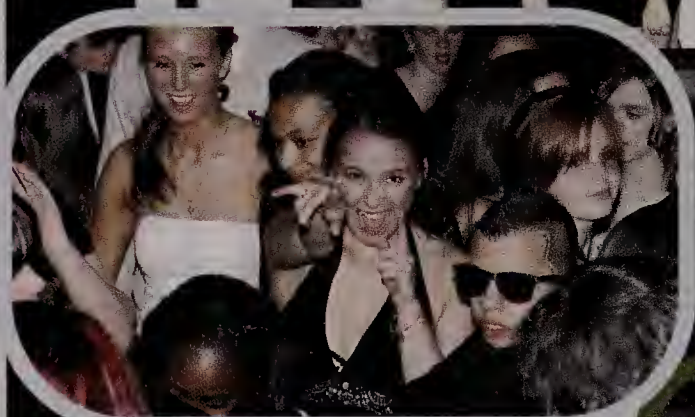

Amber Ferreira

*Today, we'll start a new life,
And say our last goodbyes,
To all the friends we've grown to love,
With whom we've laughed and cried.*

*Remembering the fun and laughter,
The problems and the fears;
And watching all our memories grow
Throughout our high school years.*

*Yes, high school days are precious but brief,
Where all your dreams come true;
It's not the end, but the beginning
Of a life we'll start anew.*
